ALLIANCE
EQUIPMENT

Company Focus

At Alliance Equipment, we specialize in manufacturing replacement buckets, liners, and accessories for many utility, construction, and tree service companies throughout the United States, Canada, and worldwide. Our specialization in the replacement market is emphasized by the fact that our bucket designs are made for use with most major aerial lift equipment manufacturers. Additionally, we offer restoration and refurbishment services. Refurbishment might be an option to extend the life of a bucket that has seen better days. We can also modify existing buckets or create custom buckets or parts depending on your exact needs.

Dear Valued Partner,

We would like to thank you for making Alliance Equipment Company, Inc. your supplier of fiberglass parts for all your aerial lift needs. Our family owned facility sits on a 49,000 square foot space in Alliance, Ohio. For nearly four decades we have strived to provide you the highest level of customer service and the best **quality** products. We are proud that our products meet or exceed ANSI standards.

Our sales staff are available to assist you with any inquiries or requirements associated with aerial platforms, components, or even drawings of our manufactured products. Collectively, our staff has several decades of experience, making them extremely knowledgeable and highly skilled.

We look forward to your partnership for many years to come!

Regards,
Matt and Patty Antonosanti

Commitment to Customers

With nearly forty years of experience, our extensive knowledge in aerial platforms and component requirements enables us to produce the finest quality products in the industry. We strive to provide exceptional customer service and take pride in providing our customers with old-fashioned, tried and true, hands-on methods of manufacturing.

Commitment to Quality

We ensure every product leaving our warehouse is of the highest quality and proper liner fit is maintained using our stainless steel and fiberglass molds. Chopper booths are equipped with digital scales for weight control of platforms. By performing electrical and structural testing we assure the quality and production not only meet but exceed ANSI standards. Our facility houses our manufacturing plant, full-service repair shop, stock and shipping warehouses, and our executive offices.

Terms & Conditions for Accounts & Billing

To establish and maintain a credit history for an open account: Your first order is either prepaid, charge card (MasterCard, Visa, Discover, or American Express), or approved credit application. Upon approval of your credit application, please be aware that our terms are Net 30 days from the invoice date. In the event that an account becomes excessively late or is late on a regular basis that account will revert to a prepaid or credit card only account. When an account becomes past due, all in-house shipments will be held until the account is paid in full or you have made arrangements with our accounting department.

Returns

Alliance Equipment must be notified of any returns. An optional 15% restocking fee may be assessed. Depending on the condition of the returned product a credit amount will be determined. All returns must be received within 60 days of the original invoice date. Alliance Equipment reserves the right to refuse returns on custom made items. Items shipped without approval may not be accepted.

Freight Charges

All shipping and freight charges are the sole responsibility of the customer. Please contact us for return shipping instructions. This includes products being sent in for repair, products being returned, and products sent in under a warranty claim.

Warranties & Guarantees

Alliance Equipment Company, Inc. provides a warranty or guarantee on all products we sell. Through careful manufacturing and inspections, you can be assured of our quality and service. All items are warranted solely by Alliance Equipment Company, Inc. Our fiberglass and bucket liner warranties are outlined below. Please contact us if you have any questions.

Fiberglass Warranty

Alliance Equipment Company, Inc. fiberglass products have been carefully manufactured and inspected prior to shipment. For a period of one year (12 months) based on the date of shipment, Alliance Equipment Company, Inc., at its option, will repair any component found to be defective.

This warranty does not extend to defects or damage caused by misuse or abuse of the product or to any modifications other than those made by Alliance Equipment Company Inc. Liability is hereby limited to repair or replacement at Alliance Equipment Company, Inc.'s sole discretion. This constitutes the complete warranty of Alliance Equipment Company, Inc. and excludes all other or further warranties expressed or implied.

Defective product(s) must be shipped to Alliance Equipment Company, Inc.'s facility in Alliance, Ohio. Upon receipt and inspection of the product(s), any repairs or replacements will be made in accordance with this warranty. Before returning a product under a warranty claim, first call us at 800.383.2290 for shipping instructions.

Polyethylene Bucket Liner Warranty / Guarantee

Alliance Equipment Company, Inc. bucket liners are molded from low linear density polyethylene containing an ultraviolet inhibitor that meets or exceeds all existing standards set forth by ANSI/SAIA A92.2 - 2015-5.4.3.5. Each liner is thoroughly inspected and dielectrically tested before shipment. For a period of eighteen (18) months from the date of the individual liner's testing guarantee, Alliance Equipment Company, Inc. will replace the liner if it cannot withstand a one minute test at the certified test voltage listed in ANSI/SAIA A92.2 - 2015- 5.4.3.5 or if it has a crack resulting from improper molding. This guarantee will not cover mechanical damage inflicted by misuse or abuse. No dielectric parameter, other than voltage, will be guaranteed.

Defective liners may be shipped to Alliance Equipment Company Inc. by calling for shipping instructions. Upon receipt and inspection, Alliance Equipment Company, Inc., at its sole discretion, may issue a warranty replacement liner which will be shipped by us (freight prepaid). Under this guarantee, liability shall be limited to the replacement of the liner only. Before returning a defective liner, first call 800.383.2290 for shipping instructions giving the liner serial number and reason for failure. The entire liner must be returned even if broken.

LI5020	Liner 2237 70kV	24 x 24 x 40/21.25 taper
LI5021	Liner 2232 70kV	42 in 6 sided/notch
LI5025	Liner 2430 50kV (PTI-H30)	24 x 30 x 40
LI5026	Liner 2430 70kV (PTI-H30B)	24 x 30 x 40

Liner 6542 (50kV) (PTI-P46 6-Sided)
#LI5027

Liner 2435 (50kV) (PTI-AL41)
#LI5028

Liner 2435 (50kV) (PTI-AT30)
#LI5029

Liner 2441 (50kV) (PTI-A30)
#LI5030

Liner 2439 (70kV) (PTI-AT30B)
#LI5031

Liner 2442 (50kV) (PTI-RU41)
#LI5041

Liner 2438 (50kV) (PTI-H38)
#LI5048

Liner 2424 (50kV) (PTI-A40)
#LI5049

Part #	Description	Dimensions
LI5027	Liner 6542 50kV (PTI-P46 6-sided)	42 in 6 sided/no notch
LI5028	Liner 2435 50kV (PTI-AL41)	24 x 24 x 42/21 taper
LI5029	Liner 2439 50kV (PTI-AT30)	24 x 30 x 39
LI5030	Liner 2441 50kV (PTI-A30)	24 x 30 x 41
LI5031	Liner 2439 70kV (PTI-AT30B)	24 x 30 x 39
LI5041	Liner 2442 50kV (PTI-RU41)	24 x 24 x 42
LI5048	Liner 2438 50kV (PTI-H38)	24 x 24 x 38
LI5049	Liner 2424 50kV (PTI-A40)	24 x 24 x 40

Liner 2241 (50kV) (PTI-R24)

#LI5050

Liner 2228 (50kV) (PTI-A28)

#LI5051

Liner 2228 (50kV) (PTI-A28 w/Step)

#LI5051S

Liner 2323 (50kV) (PTI-H28)

#LI5052

Liner 2448 (50kV) (PTI-A48)

#LI5056

Liner 2448 (50kV) (PTI-A48 w/ Step)

#LI5056S

Liner 5053 (PTI-R28)

#LI5053

Part #	Description	Dimensions
LI5050	Liner 2241 50kV (PTI-R24)	22 x 22 x 41
LI5051	Liner 2228 50kV (PTI-A28)	22 x 28 x 41
LI5051S	Liner 2228 50kV (PTI-A28S w/step)	22 x 28 x 41 w/step
LI5052	Liner 2323 50kV (PTI-H28)	23 x 23 x 38.5
LI5056	Liner 2448 50kV (PTI-A48)	24 x 48 x 42
LI5056S	Liner 2448 50kV (PTI-A48S w/step)	24 x 48 x 42 w/step
LI5053	Liner 5053 (PTI-R28)	28 x 22 x 41

Bonding Kit (Small)
#PA5098

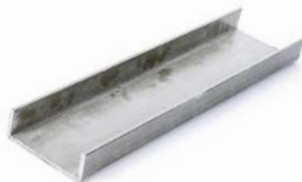

Bonding Kit (Large)
#PA5099

Fib Channel
#MT-R100403

Fib Channel
#MT-R100404

Fib Channel
#MT-R100405

Fib Angle
#MT-R100410

Fib Angle
#MT-R100411

Part #	Style	Description	Dimensions
PA5098		Bonding kit (small) 2 sm tubes, nozzles, plunger	
PA5099		Bonding kit (large) 4 sm tubes, nozzles, plunger	
MT-R100403	Sold by the foot	Fib channel	2.25 x 2 x 12 x .25 thk
MT-R100404	Sold by the foot	Fib channel	1.375 x 1.25 x 12 x .125 thk
MT-R100405		Fib channel	4 x 1.5 x 17
MT-R100410	Sold by the foot	Fib angle	1 x 1 x 12 (.125 thk)
MT-R100411	Sold by the foot	Fib angle	2 x 2 x 12 (.25 thk)
